Hey, baby, when we do what we love together. Every time you're around, I feel like I'm in heaven, I feel high, I don't want to let go, girl. I just need you to know, girl. I don't want to run away, baby, you're the one I need today. No promises. Baby, now I need to hold you tight, I just want to die in your arms tonight, baby, when we do what we love together. Every time you're around, I feel like I'm in heaven, I feel high, I don't want to let go, girl. I just need you to know, girl. I don't want to run away, baby, you're the one I need today. No promises. Baby, now I need to hold you tight, I just want to die in your arms. I don't want to run, I want to stay forever, in time and time. No promises I don't want to run, I don't want to be alone. No promises. Baby, now I need to hold you tight, now and forever, my love. No promises I don't want to run, baby, you're the one I need today, no promises. Baby, now I need to hold you tight, I just want to die in your arms tonight. I don't want to run away, baby, you're the one I need today. No promises. Baby, now I need to hold you tight, I just want to die in your arms tonight.
